Billing Info:
 Here you see your Billing Date, Due Date, Service From (date of previous reading), Service To (date of current reading), Account Number & Service Address.

Readings & Consumption:
 These numbers total the consumption used in the Service Period.

Total Current Charges:
 These numbers total Usage charge with the 10% Discount.

Amount Due on xx/xx/xx: A penalty of 10% of the pre-discounted charge (ie. \$39.00 on this sample) plus any past due balances you may have had (ie. \$42.90 on this sample.) = $\$39 \times 10\% = \3.90
 $\$39 + 3.90 + 42.90 = \85.80

Usage: A base rate of \$13.00/Month (\$39/Qtr) is the standard charge. If you use more than 6,602 gal of water (determined average usage / household) in a month an additional \$1.98/1000 gallons over the 6,602 is added on to your bill.

Discount: A 10% discount is given on all bills paid by the Due Date.

Past Due Balance: If you have any past due charges from a previous bill(s) that amount will show here

Total Amount Due: This is the total of your current charge with the 10% discount plus any past due charges you may have.

Cut & return the bottom portion with your payment
